Next Meeting May 2nd
At The Clubhouse 10-30 AM

WW2 EVENT

As we have only 9 days left at the time of writing, this letter will be predominately about WW2.

For a start I will work off the minutes of last Sundays meeting and carry on from there.

Working Bee

Next Sunday 17th Starting at 9:am

This is to clean up the canteen area and all things around the grounds to ensure that we present a good image to the public and the competitors.

If we get a lot of helpers, none of us will have to do much and we can get on flying. More on the flying further down.

WW11. Various matters were discussed and information provided to the meeting. These included:

The market Place display

Which will be located near La Cobbler with overnight storage available in the shop being refurbished opposite.

This is a smaller display area than last year. However this is an opportunity to display a rotating range of models as we have the vacant shop for storage. We need people to assist with the supervision and selling of raffle tickets. And helping out on the stand.

So far we haven't got many takers.

So if you can help out give Austin 0428328547 or Tenno 69225570 a ring we can organize a convenient time.

We also need more military type models so we can show a better variety.

Judging.

There is a full complement of static and flight judges. Flight judges attended a Meeting last Saturday.

They will have a practical exercise next Sunday after the working bee. So if some of us can perform some maneuvers for them to judge it will be a big help. Were not essentially looking for polished flyers or aircraft, we just want to give judges some variety & give them a bit of a warm up for the event

Publicity.

TV and newspapers will be present next Sunday for publicity footage and photographs. Models and people are needed A promotion in the Southern Weekly for its Easter Supplement has been arranged TV has been booked and Community Diary informed.

Further Report taken from minutes

Pit marking to be organized by Laurie Knight

A new PA system was purchased and has been tested – fully operational

Steve Sutherland has organized parking with Rotary

Dick Tennant finalised the jobs list.

Michele Viano is organized as photographer

Trophies are organized with perpetual trophies returning with competitors

Scotty Edwards will be looking after the computer and scoring

Sponsorship is progressing well

The canteen will be under the control of Val Lind.

Bread rolls, meat and other Consumables were arranged

Val still urgently needs

CANTEEN HELPERS

Even just for a few hours over the lunch time period, it doesn't have to be a full time thing.

Brian Thomson to do staff/ officials badges

Dinner booked at Golden Seasons (Saturday night 23.4.2011) all welcome but we need to know prior

Ladies can you please help

Could you cook something for sale in the canteen on the WW2 weekend? Something like Anzac Bikkies, slices, muffins etc.that can be sold in the canteen .It would be appreciated if you could advise Dick on 69228500 or Tenno 69225570 what you are cooking and if you can deliver it to the field on the day. If delivery is not possible pick up can be arranged. It would be nice to have fresh stuff on Friday & Saturday. And a big thank you to those who have already answered the call.

Raffle Details

c/mon guys n gals theres not many tickets in those tiddly little books so at least try to sell some.

Ticket books are available from Austin Siebels at ph 0429 328 547 Or Dick Tennant at 6922 8500.

AS always the prize is attractive This year it's a 1.8 mtr Piper Cub ARF

With a Spectrum DXI 5channel rig with 4 servos

With a Thunder Tiger F54S 4 stroke Motor The whole package is worth \$680 bucks, so it's up to all of us to get out there and sell or buy a book.

We can't expect Austin & Dick to do it all.

Tennos Thought

Be nice to everyone on the way up
Because you never know
Who you are going to run into
On the way down.

See you all at WW2
Tenno
